### Successful Summer Fair 19th July

The 2nd Annual Summer Fair took place on Saturday 19th July at the tennis centre.

The free event attracted more than 150 people and the sun shone to make the centre and the day fantastic!

Thanks to everyone who came along and helped on the day

The afternoon began with visitors trying their hand at a variety of tennis related activities including cardio tennis and tennis games and there were stalls for children (and adults to have some fun on)

Verity was hard at work cooking burgers and hot dogs which we sold out of (delicious)!

Some of the Tennis Mad coaches were soaked in Soak the Coach which was, unsurprisingly, popular with some of their trainees!

### Devon County Junior Tournament

The Devon County Junior Tournament commences on Saturday 23rd Aug, finishing on Friday 29th Aug. All members will have received an email about court availability at this time (courts available after 18.00pm every evening) the week will end with the Flybe Mini Masters competition on Sunday 31st Aug.

## Syndicates – last chance!

Don't forget to submit your requests for a syndicate slot by this Thursday (21st Aug). The draw for the slots will take place on Friday 22nd Aug.

Saturday night is on offer and there will be a 10% discount applied to any-one booking a court or syndicate slot.

## Manager Update

We have had a good August, the holiday caps run by Tennis Mad are proving very successful with some children playing only tennis and others going by mini bus to Stover School to join the High 5 sports camps doing multi sports.

The club sessions are still popular as always.

From September (date to be confirmed) the club will be opening up on a Saturday night so please do make use of the courts especially as I am offering them at a 10% discount. There will also be

some exciting club nights happening, I am just confirming a date for a 60's rock and roll night.

The club was very happy to support the family fun day as it really helps to raise awareness of the Centre.

And finally, we now have, albeit it slightly miniature, a road side presence in the form of a sign!!!! Could be the start of bigger things.....
