

Ivybridge Tennis Club 2015 AGM
Summary of the proposals

Objectives

To grow membership numbers through promoting the interests of members. With this in mind all decisions by the executive management of the club will be reviewed against the question “is it beneficial to and fair to the members of the club”.

- The subscriptions and court prices have been restructured
 - to ensure that it is now cheaper to play regular tennis at the club as a member rather than as a non-member
 - to effectively manage court usage so that court occupancy is improved at off-peak times and is more fairly managed at peak times
 - to promote family membership
 - to reward loyalty and commitment to the club
- The subscription year will run from 1st January until the 31st December in line with the clubs financial year (subscriptions will be pro rated on this basis)
